

The universities take care of teaching and research - studierendenWERK takes care of the rest. We offer Berlin's students the following services:

Food & drink in our dining facilities

Halls of residence & flat hunting

Financial aid through BAföG

Counselling on student financing, social benefits, academic writing, barrier-free, studying & mental health problems, job-related training

Daycare centres near the campus

Exhibitions, events and creative courses

**Centre for Student
Refugees Berlin**

WHAT WE DO:

- We offer refugee students and prospective refugee students initial advice and orientation on taking up studies in Berlin
- We offer flexible counseling by individual appointment
- We offer different events, get-togethers and workshops
- We offer possibility to practice German and meet new friends - come over to our „SprachCafé: Let's Speak German!“

You feel lost and confused about studying in Berlin?

We are here to support you!

We answer your questions about the preparation of your university application, your residence permit, or where to learn German.

We offer events, workshops and get-togethers with specific topics and we help you to make new friends.
