WERK BERLIN

Psychotherapeutic Counselling

We are here for you!

The studierendenWERK is here to help.

The **psychological counselling centre** supports students in all **study-related areas** and also offers counselling for **personal stress situations**.

Examples:

- fear of speaking and exam situations
- depressive symptoms
- feeling overwhelmed
- difficulties getting in contact with others, problems in relationships

We offer counselling for individuals and couples, several groups and also pregnancy conflict counselling (§219 StGB).

Our service is free of charge and confidential.
